

# We're recruiting

Vineland Research and Innovation Centre's Consumer Insights team is recruiting new sensory panelists.

## If you are:

- Interested in horticultural products (vegetables, fruits, flowers and more)
- A food and plant enthusiast

## And would love a job involving:

- Meeting at least once per week at Vineland on a regular schedule to evaluate horticultural products
- Describing products by taste, flavour or appearance
- Working collaboratively and contributing to research

**...then this part-time opportunity could be for you!**

## Step one, complete this survey:

<http://remote.vinelandontario.ca:8080/eq/r2/jcbxg>

## For more information, contact:
